

2018 Atlas

Size meets style.

Parked perfectly at the intersection of size and style, the biggest news of our 2018 lineup is also our largest vehicle to date: meet the Atlas. Featuring an adult-sized third row, 7 seats, your choice of either a thrilling 2.0 TSI 4-cylinder engine or an exhilarating 3.6L VR6 engine, and a suite of exceptional premium features, the Atlas satisfies your taste for the luxurious while remaining versatile enough to more-than-meet your family's needs. So hitch up your fishing boat, pack your bags, and get ready for upsized adventures in an upsized family car – at a price that may just surprise you.

Key Features

Available 4MOTION® All-Wheel Drive

Our 4MOTION® All-Wheel Drive system provides an extra level of security over on-demand all-wheel drive systems. Always on, our system constantly directs power to the wheels with the best traction, so you'll experience reliable grip and excellent stability in virtually all driving conditions.

Available panoramic power sunroof

Open up your panoramic power sunroof with just the simple touch of a button and experience a big world from the comforts of a big SUV.

Available Digital Cockpit¹

Whether it's navigation directions or vehicle information, our Digital Cockpit serves up key driving information right to your 12.3" digital display. So get behind the wheel and get ready for a personalized driving experience that's tailored to exactly what you want.

Available driving profile selection with 4MOTION® Active Control

Leveraging our already-intuitive 4MOTION® All-Wheel Drive, the Atlas lets you select different driving profiles for added control no matter the driving conditions – making it safe to say there's a mode for wherever the road takes you.

3 rows, 7 seats

An adult-sized third row and 7 seats means the Atlas has plenty of space for the whole family – and once you've jumped into the third row without removing any child seats, you'll see that being able to slide and tilt the second row forward in one easy step is nothing short of magic.

Available captain's chairs

Buckle up and get comfy with captain's chairs and take the Atlas from 7 seats to 6 for extra space and individual comfort. Like the slideable second-row bench, the captain's chairs let you adjust the backrest, armrest and seat just the way you like it, so you can enjoy first-row comforts in second-row seats.

¹Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Trendline (TL)

© 2017 Volkswagen Canada. Features noted as available are available in optional packages or on higher trims. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
