

The 2021 Arteon

A masterpiece in motion

We raised the bar. And then we lifted it even higher. The Arteon has been meticulously designed to deliver the ultimate satisfaction – whether you're on the open road or just sitting in your driveway. Offering up to 1,591 litres of flexible cargo space, it's pretty, and pretty spacious. Prepare to be delighted.

Top Features

R-Line

Experience end-to-end elegance in R-Line, standard in the Arteon. On the outside, its alluring design makes a statement, with sleek lines running across its fastback silhouette. Inside, wooden panels enhance its premium look and feel, while the 30-colour ambient lighting sets the mood for any drive.

Dynamic Chassis Control

This advanced system allows you to adjust suspension and steering stiffness according to the road conditions and your driving style. So whether you choose from the preset driving modes, or mix and match to create your own, you'll get an optimal drive, every time.

Digital Cockpit*

The Arteon offers viewable navigation on the Volkswagen Digital Cockpit, a fully immersive, customizable and configurable experience to suit your unique driving style and needs.

Heated seats and steering wheel

Front or rear outboard seats get the special treatment in Arteon. They're equipped with built-in heating to keep you cozy, while their surfaces have been crafted in genuine leather with accent stitching.

Harman Kardon audio

Bring the concert with you in the Arteon. It's now equipped with Harman Kardon audio to deliver class-leading sound wherever the road takes you.

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Peace of mind comes standard

The Arteon sets a new standard in safety technology.

It's equipped with every safety advancement we have to offer. Because there is no such thing as too safe.

Details people rejoice in

Define your style. Choose your paint colour, upholstery and wheels to see exactly which Arteon is the perfect match for you.

© 2021 Volkswagen Canada. Some pre-production, US or European models may be shown with optional features. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
